

Work Shares

Expectations

- Work on the same day, same time every week—rain or shine—June into October. Winter shares must commit September through October
- Work time must be between 8 and 4 Monday through Friday. Monday and Thursday mornings are most beneficial for us
- We prefer that you come for 2-4 hours each time
- If you cannot make it, call at least 24 hours in advance

In Exchange:

- You receive \$150 off the share price for the regular season or \$50 off for the winter season
- You experience the wonder of cultivating the soil and community!

We are counting on work share members to help with a multitude of tasks. We plan our day around you being there, so please only sign up to be a work share if you are willing to commit.
